

DMA161 | GEOLOCATION PROJECT

WHAT IS THE GENERAL CONCEPT OF YOUR PIECE?

One paragraph description.

HOW WILL PEOPLE KNOW HOW TO FIND LOCATIONS?

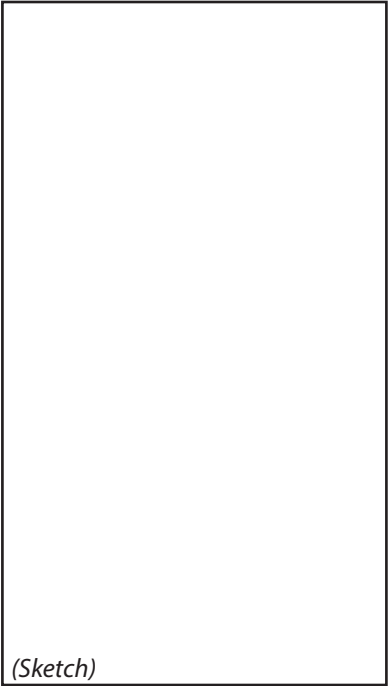

Will the in between screen contain a map or list, will people wander and stumble across locations, or will you provide a physical map?

IN BETWEEN

This view is displayed anytime you are not in one of the other locations.

(Sketch)

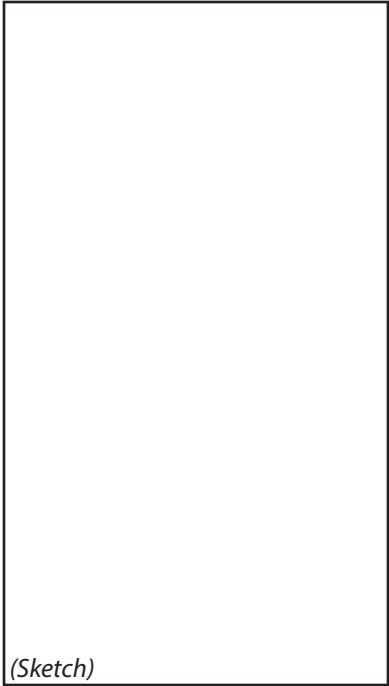

LOCATION 1

Lat _____
Lon _____

Notes/Description:
